Dear Mr. Borer,

Special Olympics would like to thank you and Lincoln Fire and Rescue for your assistance with the Lincoln Polar Plunge. Thank you for keeping our event safe year after year. Your support is truly appreciated.

Special Olympics provides year-round sports training and athletic competition for nearly 4,000 intellectually disabled Nebraskans. Your support will directly impact thousands of lives in our state. Special Olympics transforms lives – not only the lives of our athletes, but it touches their families and their communities.

Our movement is changing the way people perceive individuals with intellectual disabilities and empowering our athletes with more confidence, increased self-esteem and skills to make a difference in every life they touch.

Thank you for helping us *inspire greatness* in our Nebraska athletes.

Sincerely,

SPECIAL OLYMPICS NEBRASKA
